CAMERA SHY Mary Applegate John Fabry Marcia Hope Mark Hoops David Mansell Mark Reynolds We're the class of South Range High Who graduated in '85 We entered in '81 Our main goal, to study, and have some fun.

Earth Science was a great challenge that year, As we walked in the halls, quiet with fear. We became big sophomores, strong and wise, Seeing life through our most mature eyes. We bought class rings for our girls and guys, And the year was over, oh how time flies.

We were juniors in 1984,
Played varsity sports, and some points we did score
Our first prom came and we all dressed up,
And for souvenirs we got those silver cups.
We saw the first baseball and softball teams play
And we longed for our last 180 days.

September of '84 rolled around And our Raider football team was the talk of the town. We survived the winter with great ease. But government tests certainly weren't a breeze. The spring was long and hot with track. And our high school teachers were on our backs.

Graduation came on the ninth of june, We were then adults in good cheer and good tune. We will never forget those special days, True to South Range High We Will Stay.

When the 1984 seasons came to a close the girls had little to show except Raider Pride. There were the "Player of the Month" awards presented to Amy Ackerson and Rossana Finocchi. Ackerson also made Honorable Mention in the ICL All Stars, and was given the MVP Award. Denise Reed was high scorer and given the MVP Award for the JV team. Although they didn't have a winning season, the coach, Mrs. Baun, thought once they set aside their differences they played together well and improved their game.

ICL And Sectional Champs

The varsity basketball team gave the fans and media the thrill of victory throughout the best season they ever had. The South Range girls basketball team had 20 wins and 2 losses. The great season began back in October with a candy sale to raise money for new warm-ups.

South Range High School is very proud of their 1985
Basketball teams. Coach Krivan led the Freshmen teams into an 8-8 season. He also led them to a third place seat in the Mineral Ridge Tournament. He sees great potential in the upcoming Raider squad.

The Junior Varsity proved their competence this season with a record of 18-2. Coach Barth took

them straight to the top. This years J.V.'s record of 18-2 was the best in our school's history as well as in the I.C.L. Next years Varsity will be consisted of only the best.

The Varsity Team also gave pride to our school. They ended their season at 13-11. Coach Feren led them to the Tournament where they reached Sectional Champs. Then our

Raiders were defeated by the current State Champs, Rayen High, to finally become District Runner Ups. We are very reluctant to see six fine seniors leave the Raider Varsity Team. They are Brian Sheely, Ward McCue, Owen Byer, Dave Hill, Todd Baird, and Keith Taylor. We wish only the best to the best.
